CLASSES VIII to IX

Ref: JHPS-R/CIR/PAR/33/2024-25

DATE: 04.01.2025

Dear Parent,

Sub: Conduct of Remedial/ Enrichment Classes

We have observed that some students need to improve their academic performance at extended hours they are not able to grasp the subject due to some reasons during the regular classes and cope up effectively with the set academic standards.

We have therefore made efforts to identify such students and decided to give that additional attention individually through **Remedial/ Enrichment Classes** during the extended hours by providing them with additional coaching and exposing them to various resources to enable them to comprehend the subjects, reinforce the topics and enhance their performance.

These classes are planned in the interest of the students at the school during extended hours and are on **optional basis** and the parents are requested to **avail this facility at the school or make alternative arrangements at a place convenient to you to provide additional attention/coaching.**

The Remedial/Enrichment Classes are scheduled as follows:

AREAS	STRATEGIES
* Objective	* To help the students to perform academically better with individual attention.
* Reinforcement	* Simplify concepts. * English Grammar, Spellings and Handwriting. * Practice work sheets in the relevant subjects. * Educational videos of relevant topics. * Teach through Mind Maps and flow charts.
* Assessment	* Conducting test after every concept. * Review of the test.
* Coordination	* Update the parents and the class teachers about the progress.

Duration:	(3.00 p.m. to 4.30 p.m.).
Days :	Wednesday, Thursday & Friday (CLASSES VIII, IX & X).

Note: Remedial/ Enrichment classes will commence subject to a minimum number of 5 students per class per subject.
