

ESCORT CARD CIRCULAR

Classes LKG & UKG

REF: JHPS-R/CIR/PAR/06/2025-26

DATE: 19.06.2025

We are issuing Smart Escort Card to ensure the safety of the students during their pick up from the school / school bus.

Parent or any authorised person has to swipe the Smart Escort Card compulsorily to collect the child at the time of picking up from the school / school bus. This will ensure that the child is safely handed over to the parent or authorised person only.

If the parent or authorised person forgets to produce the Smart Escort Card at the time of pick up, the parent can open the ICue parent app and generate "Safe Hands Pin" and show it to the school staff for collecting the child. The "ICue parent App" can be downloaded on the mobile and the parents can install ICue app from Google Play store or Apple app Store.
